FREE PARKING

We have arranged for free parking at Arlington Stadium about 1.2 mile walk/warm up jog to ABBOTS WOOD HQ and START. We strongly encourage you to use this car park (capacity over 2000 cars!). (And we've paid £100 to the owners!) The main GATE1 will be open from 8am . Please drive through the main carpark and head for the overspill carpark which is the closest access point to Abbots Wood. There will be signs guiding you to the course and the start. It may be a little muddy for the first 200 m or so before you get to the main paths. Please wear good walking boots or your trail shoes. Before you know it, you will be walking on the main trail and course towards registration, start and finish area at Abbots Wood Car Park and the loos! Here's the details of the stadium

ARLINGTON STADIUM DETAILS: ARLINGTON ROAD WEST, HAILSHAM, BN27 3RE.

Please avoid Abbots Wood Car Park and please do not park in the surrounding road and access roads. It's been a challenge securing this venue and we may want to use it again, inconsiderate parking (causing complaints) may jeopardise our ability to do so.

PAID Car parking at Abbots

This smaller car park has capacity for 50 cars, but is regularly used by other visitors as well, so will probably be full. We negotiated the race permit on the proviso we would secure additional parking at Arlington Stadium - which we have done. We stated we would restrict use of this car park to volunteers as far as possible and we would have a parking marshal signposting participants to Arlington Stadium. CAR SHARING for this car park isthereforeessential .So squeeze in as many people as possible. This is a pay car park £3.50. You'll need Ringo or a credit card – otherwise you'll be fined. Forestry England have also stated that parking on the road is NOT allowed as it has caused safety issues in the past. We therefore strongly recommend you take advantage of the free parking at Arlington Stadium.
